Sorry for the delay in updating new episodes. We hope to upload a few more episodes each day until we get back on schedule. Thank you for your patience. (^_~)

New character! Private First Class Christopher Perch! How moto (motivated) can a Marine be? Well, he'll exceed all expectations in that area. LOL

Motivated Marines tend to spout words like "Eet!", "Yut!" and "Gorah!" a lot. They also like phrases such as "hard-charging", "hard-core", "Good to go", and "Devil Dogs (nickname for Marines.)"

Sgt = Sergeant // Cpl = Corporal // LCpl = Lance Corporal // PFC = Private First Class

Rock = Navy/Marine term for an idiot/dumb person.
